## Provincial Assessment Requirements

### **Ministry of Education Numeracy Assessment (Grade 10) – *Written in April***

- All Students must complete a Numeracy Assessment before Graduation. The Numeracy Assessment is offered twice a year and students have an opportunity to write it three times.

### **Ministry of Education Literacy Assessment (Grade 10 and Grade 12) – *Written in November***

- All students must complete a Literacy Assessment in Grades 10 and Grade 12. Students have an opportunity to write the Grade 10 assessment three times
- ***Please note:***
  - *Any students missing Literacy Assessment are able to make up an assessment in June*

## Indigenous Based Learning Course Requirements

- Provincial Requirement that all students complete coursework in Indigenous Based Learning
- At Chatelech all Grade 11 Language Arts classes are English First Peoples 11. Students who complete this course, meet the Indigenous Based Learning graduation requirement
- If not met through EFP 11, Students are responsible for meeting this requirement through their electives.
  - Other courses offered at CSS that meet the provincial requirements include:
    - BC First Peoples 12 (Social Studies)
    - Sechelt Language 10-12

## Career Education Requirements:

- All students must complete 8 credits of Career Education
  - Career Life Education (4 Credits)
  - Career Life Connections (2 Credits) – offered in Grade 11
  - Capstone Project - (2 Credits) – Typically completed during Gr 12 Year
- 30 Hours Volunteer or Work Experience– Student must complete, document, and submit these hours to their CLC teacher

### What is a Capstone?

- A Capstone Project is a major component of completing CLC and is a requirement to graduate.
- The Capstone Project is an opportunity for the students to reflect on their past learning experiences, both in and out of school. Students will create a project of their choosing that integrates personal interests, strengths, and new learning with preferred future possibilities.
- The purpose of the capstone is for students to demonstrate, through a presentation, the knowledge, competencies, and passions that they can offer the world.

## Academic Counselling Services

Qualified counsellors are available to assist students with a variety of issues including personal counselling, academic advising, and interpersonal conflicts. Referrals to other professionals and agencies can be discussed with your school counsellor. Counsellors are in a unique position of following students' progress over their five high school years. All students are welcome to drop by to meet the counselling staff.

## Board Authorized courses

### **Leadership - Peer Mentorship and School Culture**

This course will focus on building leadership skills to apply to organizations and the communities. Students will focus on recognizing needs in the school and community then working together to create/recommend solutions. This includes Peer-Mentoring, volunteering, organizing guest-speakers, and exploring how to advocate for equity.

### **Leadership – Athletics**

This course will focus on building leadership skills through various athletic and sport-based events and activities. This course is still being developed and may include various aspects such as coaching, refereeing, peer tutoring, and other leadership positions within our school athletics community.

### ***Peer Tutoring 10, 11, 12:***

Senior students provide support to junior students in the classroom or individually. Students will receive some training. Instructor and counsellor permission required. See your counsellor for the form.

### ***Psychology 12:***

Psychology 12 introduces general topics within the realm of psychology. The major topics covered are: The Organization, Diagnosis, and Treatment of Mental Disorders, Relationship Dynamics, Psychological Treatment Methods, Applications of Psychology, The Major Project, the Schools of Psychology, and the Psychoanalysis of a Fictional Character. NOTE: This is not applicable as a social studies credit.

### ***Yearbook 10, 11, 12:***

In this course, students learn a variety of skills while engaged in an interesting "hands-on" project: producing the school's yearbook. Emphasis will be placed on the following areas: computer design page layout, typography, digital graphics, journalism, photography, publishing, and marketing. Classroom activities will be closely related to the "real world" challenge of meeting deadlines, producing a viable product, and marketing that product. The course will most likely be offered off the timetable.

# SD#46 – Career Education Programs & Courses

## Work Experience 12A and 12B

- Learn in a workplace with hands on experience in a career sector you want to explore.
- These courses give students an opportunity to participate in, observe, and learn about the tasks and responsibilities related to an occupation or career.
- Students can volunteer their time or be paid for the work (as long as the work is related to their future career).
- If the criteria are met, students can earn 4 credits for each course after completing 100 hours and online work.
- Please contact Ms. Cheryl Wilson (cwilson@sd46.bc.ca) for more information.
  - Work Experience will also be discussed during CLE and CLC in Grade 10 and 11.

## Work in Trades: (Apprenticeship programs)

This series of courses is a career program that allows students the opportunity to begin an apprenticeship while still in high school and to earn wages and high school credits. One hundred and twenty hours of paid work equals 4 credits to a maximum of 480 hours for a total of 16 credits. Students secure a paid job with a certified journeyperson in that trade, and become registered with SkillsTradeBC (ITA)

This is a special program for a student who wishes to graduate while working part-time and developing a career through apprenticeship.

Examples of designated trade categories include: Construction, Electronics, Automotive, Graphic Arts, Horticulture, and Pro Cook.

For more information or to enroll, students are encouraged to visit the school counsellor or Career Coordinator Teacher (cwilson@sd46.bc.ca). Students interested in the Work in Trades Apprenticeships are responsible for obtaining their own placement.

## Train in Trades:

Student must be 16 years of age and not graduated from Secondary School.

Students will benefit by earning:

- 16 credits towards Graduation
  - B.C. Apprenticeship Registration
  - Registered as a Post-Secondary Student
- 
- School District #46 has 3 programs that are offered in a partnership between Post-Secondary Institutes and School District 46. Trade Employment is in demand and workers earn an above average living wage.
  - The students earn first year post-secondary training while living locally and earning 16 Credits to go towards Graduation. The course both a hands-on and a theory course.

### **Professional Cook Level One**
