

***Interact is a Rotary Youth Club that takes action to make a difference in your school, community and around the world. It is sponsored and supported by our local Rotary Clubs and strives to inspire, develop leadership skills and provide a fun opportunity to connect with other youth focussed on “making the world a better place”! Participation provides access to many amazing Rotary Youth programs across Canada and across the globe.***

***Interactors take part in activities and events to volunteer, raise funds and/or promote awareness for local and international causes.***

***We meet in a classroom at least twice a month during a lunch break to share opportunities and plan activities.***
